

European Seminar "WISE" exchange of good practices

15 November 2019

Venue: European Commission Representation in Hungary
1024 Budapest, Lövőház u. 35

The European Seminar 'WISE' exchange of good practices is focused on the following aspects: the social and labour market integration of disadvantaged groups, the economic viability of the work integration social enterprise (WISE) and the promotion of networking as tool to promote a favorable context for the development of social enterprises.

The European Seminar '**WISE exchange of good practices**' involves ENSIE' Members, Hungarian experts and social enterprises, and Belgian, French and Portuguese partners of the European Erasmus+ project "KA2 AMTCC - Apprentissage en milieu de travail des compétences clés de l'UE" (Workplace learning of key EU competences).
